# Master of Education LEADERSHIP IN EDUCATION

ALBRIGHT SCHOOL OF EDUCATION

CityU Canada

## WHY AN M.ED. IN LEADERSHIP IN EDUCATION?

CityU's M.Ed. Leadership in Education degree program will help you become a well-rounded, more effective educator - someone who demonstrates leadership not only in the classroom but in all parts of the educational community. Whether you are aiming at a career in administration or just wish to become a more effective teacher, the program will allow you to develop yourself as an educator in a holistic and comprehensive fashion.

## WHAT WILL I LEARN IN THIS PROGRAM?

CityU's M.Ed. Leadership in Education degree program will help you become an all-round more efficient classroom manager and/or educational leader. Our program focuses on:

Effective leadership	Conflict resolution and counselling
Supervision and mentoring	Curriculum development
Building and managing teams	Evaluating education programs

## IS THIS PROGRAM FOR ME?

If you are an educator in Alberta who wants to advance your career without giving up your day job, this program is perfect for you. This program is offered with a work friendly schedule.

## WHAT CAN I DO WITH MY DEGREE?

With your M.Ed. Leadership in Education degree you will be prepared for employment as a school administrator (principal or vice principal), or head of curriculum at your school or in your district. And because our program meets local, regional, and provincial requirements, you may be eligible for a pay increase (if you currently work in the public education system).

## WHY CITYU?

- Because you want an education that is relevant to what's happening in the real world, right now.
- Our faculty teach what they do for a living, not just what's in the book. They're smart, successful people who can help you get there, too.
- You'll go through the program with the same group of students. We call it cohort learning. It's like a built-in support group.
- You can get an education without sacrificing your career.

As an academic institution, CityU Canada's vision for changing your life for good is kept alive through daily practice and through strong commitment to high standards, quality and service.
