

GRADUATE PROGRAM COMPARISON - British Columbia

Master of Education in School Counselling Or Master of Counselling

WHICH PROGRAM IS RIGHT FOR ME?

Master of Education in School Counselling	Master of Counselling
<ul style="list-style-type: none"> You are a teacher (British Columbia teaching certificate) working in the public or private school system. 	<ul style="list-style-type: none"> You have counselling experience or a minimum of 50 hours volunteer service.
<ul style="list-style-type: none"> You completed a 4 year undergraduate degree from a recognized post-secondary institution. 	<ul style="list-style-type: none"> You completed a 4 year undergraduate degree from a recognized post-secondary institution, which includes courses in the areas of learning, cognition, personality and human development.
You are interested in topics that focus on counselling interventions appropriate to school-based practice, the development of children and youth, mental health issues seen in schools, social-emotional learning strategies and trauma-informed school practice.	You are interested in topics that address all client ages groups, including couples and older adults. You will take specialized courses in addictions, grief and loss and couples counselling as well as core counselling course-work.
<ul style="list-style-type: none"> You would like to work as a school counsellor upon graduation or use counselling skills in your class-room as a teacher or student service teacher. 	<ul style="list-style-type: none"> You would like to work in a community service organization, government body or private practice upon graduation.
<ul style="list-style-type: none"> You might wish to work in a community service organization or private practice later in your career. If so, the MED program meets the BCACC requirements to obtain registration as a clinical counsellor (RCC). 	<ul style="list-style-type: none"> You would like to obtain registration as a clinical counsellor (RCC or CCC) immediately upon graduation.
<ul style="list-style-type: none"> You would prefer that the majority of your practicum placement be within a school under the guidance of a school or district counsellor (a portion may also be in a community setting). 	<ul style="list-style-type: none"> You would prefer that your practicum placement be with a community service mental health organization.
